

RESULTS DRIVEN GOAL SETTING MINI SESSIONS

Darren Hardy stated in his book *The Compound Effect* - "**Motivation without action leads to self-delusion**".

As the quarter is coming to a close, I'm hearing more and more questions/remarks like...

"Where Did the Quarter Go?" "I thought I'd be further along than this." "I'm not even close to fulfilling my goals."

Is that you?

Do you want to feel better going into 2nd quarter?

Results Driven Goal Setting moves your goals thru the cycle of
Visualization to **Operationalization** to **Realization!**

A Methodological Approach that will Drive Results for Short or Long Range Goal Setting.

Ideal Participants are:

Individual Business Owners

Primarily targeting individuals who don't have a 5 year plan to follow however, must still set monthly goals to continue moving the needle.

Start Ups

You are all over the place wondering what do I do next?

Individuals with Tons of Ideas

You have lots of seeds in you and need to birth them out!

Let us to help you build frameworks designed to increase your capacity to manage growth.
